

Bridal Idol
Have *YOUR* Wedding
Featured in the
Next Edition of Central Cost Bride

Central Coast Bride is now accepting applications to be our Featured Central Coast Wedding in the upcoming edition of our beautiful hard copy Magazine, which begins distribution on September 1st. **Deadline for application and photo submittal is June 30th.**

We call it Bridal Idol; however, no singing is required! It is a very simple competition. We will post information about 3 real Central Coast Weddings onto our website. Visitors to the website can vote for their favorite wedding. If YOUR wedding gets the most votes, photos and some details about your wedding will be included in our next Magazine and also on our Website!

How Bridal Idol Works

1/ Complete the Application

2/ Fax or email your completed application (fax, email, and mailing address at bottom of this form and the application form)

2/ Have your Wedding Photographer submit up to 50 photos from your wedding on a DVD (mailing address in the footer of this form). Be sure that the photographer includes your **Names** and **Wedding Date** on the DVD so that we can match photos with the applications. (Ideally, your photographer will submit a copy of the Bridal Idol application with the DVD.)

3/ Information will be posted to our website. Central Coast Bride will select up to 3 couples and post their information and select photos onto our website

4/ Voting. Website visitors will then vote for their favorite couple using a link from the website. The couple with the most votes wins!

5/ Publication. The winning couple's wedding will be featured in our beautiful new edition of Central Coast Bride magazine as well as on our fabulous totally redesigned website.

What To Do Next

Simply 1/ complete and send in the Application and 2/ notify your Photographer. ***We are accepting Wedding Dates in both 2010 & 2011.***
