Did Central Coast Bride magazine or website help in your wedding planning? If so, how? If not, what do you feel we can do to be sure that we better help future brides?

Tell us a little about you. For example, How you two met, how you knew that he/she was “the one”, the proposal, your engagement, how your family and friends reacted, any stories about your wedding planning, how you selected your colors, décor, wedding site, wedding service providers, etc. If you are a destination bride, how and why you selected the Central Coast for your big day. Feel free to express yourself and tell us as much or as little about yourself and your story as you like. Use additional pages as needed.
